Perfect Edge

SQUARELINE METAL

DURAL

Practical and elegant square-shaped format.

TECHNICAL DATA

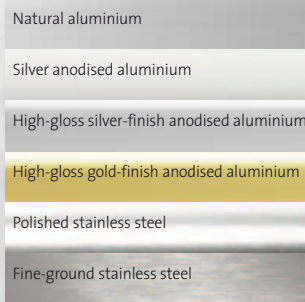

Heights: 7, 9, 11, 12.5 mm
 Length: 2,500 mm
 Accessories: Corner pieces for internal and external corners
 Material: aluminium and stainless steel

Square-format profiles for durable edge protection and flawlessly perfect corners.

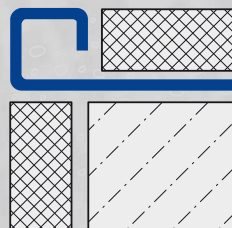

The colours depicted are reliant on the printing process and may deviate slightly from those shown. We reserve the right to make technical amendments and design changes.

- SQUARELINE METAL makes for precise angles and overall aesthetic design. Corners can be fashioned with high-precision perfection.
- Matching corner pieces are available for all versions.

- SQUARELINE METAL makes for a glittering sparkle, in aluminium – either natural, anodised or gloss finished – or elegant stainless steel, either polished or fine-ground.
